

**Ideation Phase**  
**Define the Problem Statements**

|               |                                 |
|---------------|---------------------------------|
| Date          | 01 JULY 2026                    |
| Team ID       |                                 |
| Project Name  | Credit card approval prediction |
| Maximum Marks | 2 Marks                         |

**Customer Problem Statement Template:**

Create a problem statement to understand your customer's point of view. The Customer Problem Statement template helps you focus on what matters to create experiences people will love.

A well-articulated customer problem statement allows you and your team to find the ideal solution for the challenges your customers face. Throughout the process, you'll also be able to empathize with your customers, which helps you better understand how they perceive your product or service.

| <b>Problem Statement (PS)</b> | <b>I am (Customer)</b>  | <b>I'm trying to</b>                   | <b>But</b>                             | <b>Because</b>                                          | <b>Which makes me feel</b>                        |
|-------------------------------|-------------------------|----------------------------------------|----------------------------------------|---------------------------------------------------------|---------------------------------------------------|
| PS-1                          | A bank applicant        | Get my credit card approved quickly    | The process is slow and unclear        | The bank uses manual checks and inconsistent criteria   | Frustrated and anxious                            |
| PS-2                          | A financial institution | Approve genuine applicants efficiently | Too many false approvals or rejections | Current system lacks automation and predictive accuracy | Concerned about risk and customer dissatisfaction |
